

JEFFERSONVILLE HARDWARE

- All Lumber sold by Board Foot, we can cut to length as long as the board we are left with is longer than 6'
- We can plane or joint lumber to your specs, planing charge is \$1/linear foot and jointing is \$1/linear foot.
- We share the city block (even though calling Jeffersonville a city might be stretching it) with a custom woodworking shop. Please ask us about any custom projects you have in mind!
- If you don't see it on the list, chances are we can source it! Please don't hesitate to ask.
- We also have birch plywood in 3/4" and 1/4"
